Barnwarming

The 1977 Barnwarming was held at the F.F.A. Fairgrounds on November 5, 1977. When we got there, we all had to go through the tunnel of straw made by the senior boys. When we got through, we started square dancing. The caller for square dancing was Merle Doughty. Marty Ewing played the fiddle. Between square dancing we could all drink apple cider and eat doughnuts. In between square dancing, games were provided for entertainment. One of these games was the red ear of

corn. This is where the boys try to get a red ear of corn and then they kiss the girl of their choice. The king and queen candidates were Robbie Young and Teresa Surber for the freshman class, Gary Pepper and Jenny Keith for the sophomore class, Cary Singleton and Vicki Nibarger for the junior class, and Lloyd Chapins and Sharon Tye for the senior class. The sophomores won with Gary Pepper and Jenny Keith. Scott Stevens and Lisa Crawford crowned them.

Seven of the fourteen teams competed on the state level. There are two areas of contest teams — vocational agriculture teams and F.F.A. teams. The vocational agriculture teams come from the different vocational agriculture classes. F.F.A. teams are related to the aspects of F.F.A.

The Farm Management Team will be going to Kansas City next fall after placing first at District and at State. Members are David Cain, Steve Miller, Reid Stephens, and Mike Clarke. F.F.A. Fairs

The 4-H and F.F.A. Fairs are very important to many F.F.A. members. Fairs are a good way for the F.F.A. members to get to work with each other and learn new things about the fair. The fairs are also a good way to win money, ribbons and trophies and still have a good time.

The participants of the fairs have a lot to do to get ready for them. They have to break their calves to lead, groom, wash, and train their calves what to do in the show ring.

There are three fairs a member can enter. They are the County Fair, the District Fair at Trenton, and the State Fair at Sedalia. The two reasons for entering these fairs to members are for the pleasure and the challenge to win.

The County Fair lasts three days. During those three days there are many contests like cattle, hogs, sheep, horses, chickens, and even some rabbits. There are also a lot of contests that they put up in the Green Building like cooking, sewing, woodworking, etc. The Livingston County Fair is one of the biggest in Missouri. This year they are going to put up another barn for those members who show horses. This also gives the town people who love

horses a chance to see quite a few of them.

The last few years every member getting a blue ribbon on a steer, market hog, or market sheep, gets to sell them at the fair. This brings the members who have worked hard to get a blue ribbon a chance to make a profit off of their animal.

The F.F.A. members who participated in the fairs were: Jerry Bauer, Martye Case, Mike Fries, Dan Hutchison, Kevin Laffey, Melvin Lollar, David Morris, Gary Pepper, Stan Saunders, Jack Smith, Jim Waits, Tracy Allen, Mark Bonderer, Doug Jefferies, Ross Jones, Pam Moore, Vicki Nibarger, Robert Quinn, Bruce Whitside, Mark Hopper, David Buttman, Mike Clarke, Chuck Hinchey, Stephen Miller, Allan Nibarger, Jim Seaman, Mark Case, Chuck Fries, Kyle Hibner, Mike Hopper, Mike Mollahan, Bruce Moore, Dale Pepper, and Rick Lollar.

Some of these members also entered in the District Fair at Trenton and the State Fair at Sedalia. The members that entered these fairs came back and said they learned a lot of things they didn't know about. So we encourage everyone to participate in the fairs and have some fun.
