Contests

Contests are always the big highlight of the school year. Members get to compete with other schools from different parts of the Area, District, and some teams get to compete on the State level. There are two areas of contest teams, Vocational Agriculture which deals with different classes of agriculture and F.F.A. teams which are related to different aspects of the F.F.A.

On the Area level all the contests deal with the F.F.A. This year the Chapter had eight contests that competed on the Area level. The Parliamentary Procedure team placed 1st in the Area and 3rd at District. Members of the team were: Chairman—Brian Schmidt, Members—Jerry Marlay, Marty Ewing, Mike Haynes, Jim Earl, Lauri Mitchell, and Suzi Holliday. In Public Speaking Rhonda Cooper placed 3rd at Area and 5th at District. In Beginning Record Books Kim Walker placed 2nd at Area and in Completed Record Books Kevin Laffey also placed 2nd. At the District level the Chapter qualified nine teams for State. The Farm Management team of Joyce Buchanan, Ed Emerson, Cary Singleton, and Robert Quinn placed 1st at District and 2nd at State. Joyce was second high individual in the State. In Soils the team of Melvin Lollar, Kevin Laffey, Gary Pepper, and Jim Waits placed 3rd at District and 2nd at

State. Melvin tied for 4th high individual. In Livestock Judging the team of Dennis Gutshall, Scott Stephens, Mike Fries, and David Morris placed 4th at District and 2nd at State. The Chapter is also very appreciative to individuals who donate their time to help train contest teams. Bob Warren trained the Livestock team, Julie Churchill trained the Floriculture team, and J. B. Thistlethwaite trained the Landscaping team.

F.F.A. Fairs

The 4-H and F.F.A. Fairs are very important to many F.F.A. members. Fairs are a good way for the F.F.A. members to get to know each other better and to learn together. The fairs are also a good way to win money, ribbons, and trophies.

Three of the fairs a member can enter are County Fair, District Fair at Trenton, and State Fair at Sedalia. The two reasons that most members enter the fairs are for pleasure and the challenge to win.

The County Fair lasts for three days. During these three days many contests take place. Some of these are hogs, cattle, sheep, horses, chickens, and rabbits. The Livingston County Fair is one of the biggest in Missouri.

Each year every member who receives a blue ribbon on a steer, market hog or market lamb is allowed to sell their animal at the fair auction. This gives the per-

sons who have worked hard to get a blue ribbon a chance to make a profit on their animal.

The F.F.A. members who participated in the fairs were: Mark Bonderer, Mark Hopper, Danny Hoyt, Doug Jefferies, Ross Jones, Pam Moore, Vicki Nibarger, Robert Quinn, Cary Singleton, Tracy Applebury, Martye Case, Greg Cooper, Steve Ferguson, Mike Fries, Dennis Gutshall, Kevin Laffey, Melvin Lollar, David Morris, Gary Pepper, Stan Saunders, Jack Smith, Scott Stephens, Jim Waits, Marty Ewing, Jerry Marlay, Steve Noblitt, Tom Parks, Raymond Quinn, Martha Seiberling, Sam Slattery, and Marty Stedem.

Some of these members also entered in the District Fair at Trenton and the State Fair at Sedalia. The members that entered these fairs came back and said they learned a lot of things they did not know about. So we encourage everyone to participate in the fairs and have some fun.

The F.F.A. strives to provide training in leadership, cooperation, and the development of responsible citizenship. It also offers experiences in serving the community.

The program Building Our American Community (BOAC) is designed to involve all chapter members in construction projects

to improve the community in which they live and work.

The Chillicothe F.F.A. was given a grant of \$500 by the Missouri Department of Agriculture. We used the grant to build a 600-foot chain link fence and cement gutters at the fairgrounds. This project got a bronze classing at the Missouri State F.F.A. Convention held the 19-29 of April.
